

# ID Risk Check®

## Product Introduction

**ID Risk Check®** technology is the premier fraud and risk management tool. Building upon Intellicheck Mobilisa's proven ID Check® technology, ID Risk Check offers ID validation and authentication services, along with fraud risk and velocity controls. Tied in with proprietary analytical models, ID Risk Check reduces fraud, and minimizes the risks of identity theft.

ID Risk Check was developed specifically to meet the needs of fraud and loss prevention in retail applications. Using proprietary algorithms, ID Risk Check compares sales and return data to determine areas of potential fraud—all with a simple swipe of a driver license.

**ID Risk Check®** allows for quick and easy integration into existing Point-of-Sale systems. Through this comprehensive solution, industry can reduce fraud and loss prevention exponentially, with minimal up-front costs. Clients report an immediate ROI upon implementation.
