

Military installations and secure facilities across the country use Mobilisa's Defense ID® - the world's most advanced Access Control - Force Protection tool.

Defense ID® is a ruggedized handheld scan gun that can read an ID card and run a bad guy check to over 100+ watch or terrorist lists...all in under a second. Used by civilian law enforcement and all four branches of military service. Stopping bad guys every day.

The Defense ID® System -

Catches Bad Guys

Prevents unauthorized people from gaining access to restricted areas

Sets Up Easily

Works out of the box

Cost Effective

Minimal Infrastructure

Complete System

Other systems only print proprietary badges

Photo Capability

Takes photos of people, vehicles, and plates
